When will I hear from my child's coach?

It all depends on how soon a coach is found for your child's team. Most teams will have a coach in place by Tuesday, September 4. The coach will receive the team roster that day and will begin to contact players.

For teams that do not have a coach by September 4:

- Our Recreational Program Vice-President, and other board members, will continue to look for coaches and ask parents to volunteer as the team's head coach.
- The team roster will be given to the coach as soon as he/she successfully completes a background check.

Coaches generally have three days to contact players after receiving the team roster. If you have not heard from your child's coach, or a board member, by Monday, September 10, please email our Recreational Program Vice-President, Omar Amaral, at vysorecvp@gmail.com.
