

VYSO Financial Assistance & Donation Programs

The Victoria Youth Soccer Organization would like to make sure that every child in the Victoria area that wants to play soccer is able to play soccer. We do not want families that have been affected by Hurricane Harvey to not be able to register their children to play soccer. We also do not want a family's financial situation to be the reason a child cannot play. Please see below for our assistance and donation programs.

Financial Assistance for Registration Fees

The registration fee for the Fall 2017 Recreational Soccer season is \$90 per player. This includes practices, 7 games, and the full uniform (jersey, shorts, and socks.)

Scholarship Program

The VYSO Scholarship Program takes \$30 off the registration fee so you would pay \$60 per player. We ask that each family perform three (3) hours of service to VYSO in exchange. These service hours can be helping with field preparation before the season starts, working in the concession stand during the season, or helping with field maintenance during the season. You can break the \$60 registration fee into two monthly payments of \$30.* [Click here to register online and apply for a scholarship.](#)

Extended Payment Program

With the VYSO Extended Payment Program, you can break the \$90 registration fee into three monthly payments of \$30.* [Click here to register online.](#)

If neither of these financial assistance programs will enable you to register your child, please contact a member of the VYSO Board of Directors or the Executive Director, Michelle King. [Click here for contact information.](#) Please explain your situation and we will see what kind of assistance we can offer your family so that your child can play soccer this fall.

*Registering & Paying Online

You will need to have a credit card, debit card, or use e-check to register online. If you need to pay with cash or a regular check, you will need to come to an in-person registration event. [Click here for details about in-person registration](#)

Registration Assistance and Soccer Gear Donation Program

We have set up a fundraiser to help families affected by Hurricane Harvey. The money raised will be used to assist families with registration fees and buying gear like soccer balls, shin guards, cleats and soccer socks. [Click here to donate.](#)
